*“To Be A Man” is designed for boys, 12-16, who are sincere in participating in the program. Your answers to the questions below will help us as we prepare to work with you this summer. Feel free to use more paper if needed.*

1. Why do you want to participate in “To Be A Man”?

2. Have you ever spent a night alone in the wilderness? Explain.

3. What would be the most difficult part of “To Be A Man” or you?

4. What/how can you contribute to the community?

5. Participants will offer something back to the Night Eagle community. List three camp projects that you feel would benefit the community and tell why.
